

HBM GROUP

QUALITY ASSURANCE

As HBM Group is supplying its fasteners to various industrial projects in the region and internationally, we understand the importance of providing quality products to our reputed clients. Hence, HBM Group assures its clients with traceability and accountability against any of the supplied products.

To continually review and monitor Quality Assurance of its products, HBM Group performs strict material inspection procedures through both in-house and third party testing/inspection.

The group companies maintain its Quality Management Systems in compliance with ISO 9001:2008 Standards.
